### Process around King's Day

The Netherlands will celebrate King's Day on Saturday 26 April 2025. There will be no collection in Belgium on that day. Distribution in Belgium will continue as usual.

### Process around Bevrijdingsdag

Every five years, the Netherlands celebrates 'Bevrijdingsdag'. On Monday, May 5, 2025, we will therefore not deliver parcels in the Netherlands, nor in Belgium. However, collection in Belgium will continue as usual.
